## Education

### Drexel University, Philadelphia PA

Bachelor of Science in User Experience and Interaction Design; Minor in Architecture

Anticipated Graduation: June 2028

## Project Experience

### UX/UI Designer, Ram's Diner Website Redesign

Sept 2023 – Present

- Created user personas based on user research to identify problem areas and user preferences
- Designed variety of low-fidelity wireframes, color palettes, and typography using Figma for visualization
- Analyzed feedback and curated an enhanced interface interaction for the target audience while keeping the brand's integrity

### UX/UI Designer, Portfolio Website Design

Sept 2023 – Present

- Generated sitemaps, visual palettes, and wireframes for better understanding of usability
- Created a visually appealing and user-friendly interface with navigation and accessibility in mind
- Implemented an interactive element such as a contact form to engage audience and showcase design abilities

### Architect Designer, Lancaster Avenue Row House Design

Jan 2023 – March 2023

- Curated new designs of an integrated restaurant and apartment building
- Designed 3-level floor plans in an efficient manner that followed its restrictions and rules
- Built various physical models to allow viewers a more comfortable visual method

## Work Experience

### Front-end Employee, Giant

June 2023 – Present

- Maintained a safe and clean work environment to guarantee customer needs
- Supervised trainees and aided in their understanding of company policies while working as a team member
- Processed cash and credit transactions in a fast-paced, high-volume retail setting
